

Summer Camp Employment Availability

Name: _____ Date: _____

We always try to meet employee desires, but availability will be a key hiring factor. For the summer, staffing needs will be strong from 8:45-5:30 M-F. The facility will be closed July 9-17. This would be a good time for taking a vacation. For the camps we like to have the same counselor with the kids for the whole camp. Other days and hours will also be needed for the mobile pop-up program with yet to determined dates. Expected hours of work are 15-35 per week, so if you are looking for hours, it will most likely be available.
