

Thank you for registering for Sacramento Adventure Playground's Wacky Kid Color Run. This low-key event is designed to pack fun over a short run, as well as being a fundraiser for the Playground. Here are some key points for you as this run approaches.

Date and Time

Saturday, May 7. You may choose to run at 11:30am or 1:30pm (not both). You do not need to tell us which time slot. The Adventure Playground will be open 10am-4pm. Booth Activities will operate 11am-2:30pm.

Location and Parking

The Sacramento Adventure Playground is located at 3301 37th Avenue (off of Franklin Blvd). A small parking lot is available, but most parking will be on 37th Avenue or along the back side of this old Maple school site is 36th Avenue, which has more parking and direct entrance to us. The run will occur with the soccer field area.

Check In

Please check in prior to your run. However, there are no bibs or distribution materials. Check in is at the back gate of the Adventure Playground. It's not that big of an area, you'll find us.

What to Wear

You will get soapy wet and covered in 'color' (corn starch). Although these items are organic, eye irritants can occur. We do have basic eye safety glasses available for you. You may wish to consider bringing tight fitting goggles for the kids. We recommend wearing white as much as possible as it makes pictures better. This is a run, running shoes are needed. Please note: There was an early error in the online registration system and some of you may have been notified that a shirt was included in the price. As stated in the web description It is not. We removed all merchandising and were unaware that doing so it did not remove this option. We apologize for the error.

Clean-Up

A clean-up station will be available.

over

The Course

This is a short run designed for kids of approximately .25-.4 miles, through and around the soccer field behind the Playground. There will be 2-3 foam stations and 2-3 color throwing stations. Run is non-competitive. There is no timing.

Activities & Medals

Fun color and bubble activities are part of the event and fun. And we know EVERYONE likes to make slime! A little bit of 'bling' will be available to all finishers.

Family Event

This is a family event. Parents are welcomed throughout the facility (including the run).
